Thank You Note Day

December 26

Rules for Monthly \$25 Giveaway

INTRO:

Each month in certain editions of the Town Planner wall hanging calendar there is a date marked as a **\$25 Gas Card Giveaway**. On each of these days residents can post to Town Planner's social media pictures and posts that pertain to that day's event or celebration. Town Planner of Northern Illinois will then determine from the posts a winner of the \$25 prize.

This is not a drawing or a lottery. All determination of winners is at the sole discretion of Town Planner of Northern Illinois - though we will rule out any co-workers or family from winning so as to keep the decision as unbiased as possible. No one under 18 can be declared a winner so an adult must claim any giveaway.

ENTRIES/POSTS:

Posts may be as many pictures or stories as desired. However, Town Planner of Northern Illinois reserves the right to remove and block any inappropriate posts, pictures or comments as this is intended to be a fun local community (and communities) event each month. We merely ask that your post relate to the topic at hand and is done in a tasteful, thoughtful, fun, and/or entertaining way.

We ask all posters to use the hashtag listed on the calendar **LESS THE DASH** as hashtags will not allow for a dash. This makes locating a posts easier. Each date has its own hashtag. Refer to the wall calendar for your community or go to: www.townplanner.com/calendars and check out the following Illinois editions: Lake Villa - Lindenhurst, Fox Lake, McHenry, or Round Lake Area.

PRIZE:

While the giveaway says \$25 Gas Card we reserve the right to substitute a gas card with a general \$25 gift card. On occasion we may offer the winner a check or gift certificate (of equal or greater value) to a local business. It is up to the winner if they wish that option; if and when offered. See below for unclaimed prizes

WINNERS:

We will attempt to contact the poster we feel was the “winner” in our estimation for each day. Our decisions are final. Each winner is limited to that one win per year - but please participate each month to make the other posters try harder. If we are unable to contact the winning poster we will either contact another winner (if we feel there was one) or we reserve the right to move that prize to another month where there may be a second best post that was almost as good as the winning post. Since we cannot guarantee that there will be either an unclaimed prize or another monthly winner we reserve the right to forego the giveaway and determine another way to giveaway that prize. In that event, said giveaway will be listed on our Facebook page with details.

If there are any questions please post them on our Facebook page or DM us; email us using the contact form on this site etc.
